Please bear the following points in mind before and during your event:

Please adhere to the technical guidelines of the Hamburg Messe und Congress GmbH (HMC) for your evening event. As the operator of the exhibition facilities, our guidelines and instructions must be followed.

As the exhibitor/event organiser, it remains your duty to ensure the safety of public traffic around your stand area and in any areas used for your event. The HMC is not liable for any third-party expenses incurred as a result of your event. For your own protection, we recommend you take out exhibitor liability insurance, which you can request using form insurance.

If you plan to put on special shows, carry out activities with a high fire risk or use fog machines (or similar), please contact us.

If you will be playing music, you are required to notify GEMA. The maximum volume permitted for events at the stand perimeters is 70 db(A).

To ensure the safety of neighbouring stands and adherence to the maximum event duration as stipulated above, Hamburg Messe und Congress GmbH employs security staff. You will be invoiced for any necessary repair or cleaning work required at neighbouring stands or in the hall resulting from your event.

To ensure that caterers, musicians, etc. can deliver their supplies to the exhibition grounds as smoothly as possible, please send us the names of the companies, including contact details, and the registration plate numbers of their vehicles. Please provide these companies with a written authentication note, including your stand number, so that they can enter the exhibition grounds, and inform them that deliveries can only be made via the following gates: A-halls via gate A3; north B-halls (B1–B4) via gate B4; south B-halls (B5–B7 and parts of B1–B4) via gate B6. The gate staff will direct them to their assigned parking spaces.

Admission for your guests: If your event starts after the end of the official trade fair opening times, your guests will also require authentication for entry. In such cases, you must contact us in advance. For entry during the official trade fair opening times, your guests require a valid admission ticket.

Access restrictions apply to the underground car park. Our security staff will direct you and your guests. Visitor cloakrooms close at the end of the trade fair opening hours. Any clothing left after this time will be held until the following day, although HMC cannot accept any responsibility for such items.
