Innovation and experience merge at INMEX SMM India

2019 is our year of innovation

INMEX SMM India is committed to creating a platform for global manufacturers and suppliers to showcase their state-of-the-art products to key buyers from South Asia to improve and upgrade our Maritime Industries.

Backed by years of experience and the combined forces of Informa Exhibitions and Hamburg Messe und Congress, the 2019 edition will bring buyers and manufacturers from across the globe to do business at the shipping capital of India, Mumbai.

I congratulate the organisers for having put up a wonderful show. We have met people from various sectors and the equipment is an eye opener, which gives us an insight into what the future technology holds for us.

- Vice Admiral Ravneet Singh,
Chief of Staff – Western Naval Command,
Indian Navy

INMEX SMM India brings all industry stakeholders together. It is a great opportunity for the industry to see technological upgradation – not only ship building and repairs but also ship management.

- Smt. Dr. Malini Shankar,
Director General of Shipping,
Ministry of Shipping,
Government of India.
